"check a battery"

check a battery for a Google Glass.
This glassware is an application which uses a voice only without touch.
Ask a battery check, then you get the answer by voice.

When you play with children
When you drive,
When you exercise,
Always say, "check a battery "

check a battery is the glassware that was produced for the first time in Korean companies .
Starting with this, I will try to show you more convenient and fun future .
