향후 발전 방향

The background features several overlapping circles of varying sizes, rendered in a light gray color. These circles are scattered across the page, with some overlapping each other and others positioned near the edges. The overall aesthetic is clean and modern.

시연

The background features several overlapping circles of varying sizes, rendered in a light gray color. These circles are scattered across the page, with some overlapping each other and others positioned independently. The overall effect is a subtle, decorative pattern.
