

MOIN MOIN PROJECT

한양대학교 문병원

tasyblue@gmail.com

Moin

is a Frisian and Low German greeting from East Frisia, Southern Schleswig (inclusive North Frisia and Flensburg), Bremen, Mecklenburg-Vorpommern, the eastern Netherlands and Southern Jutland and in Denmark,

meaning "hello".

Moin Moin

Started in the year

2000

2000

150,000+

hosts

Most widespread wiki
in the world

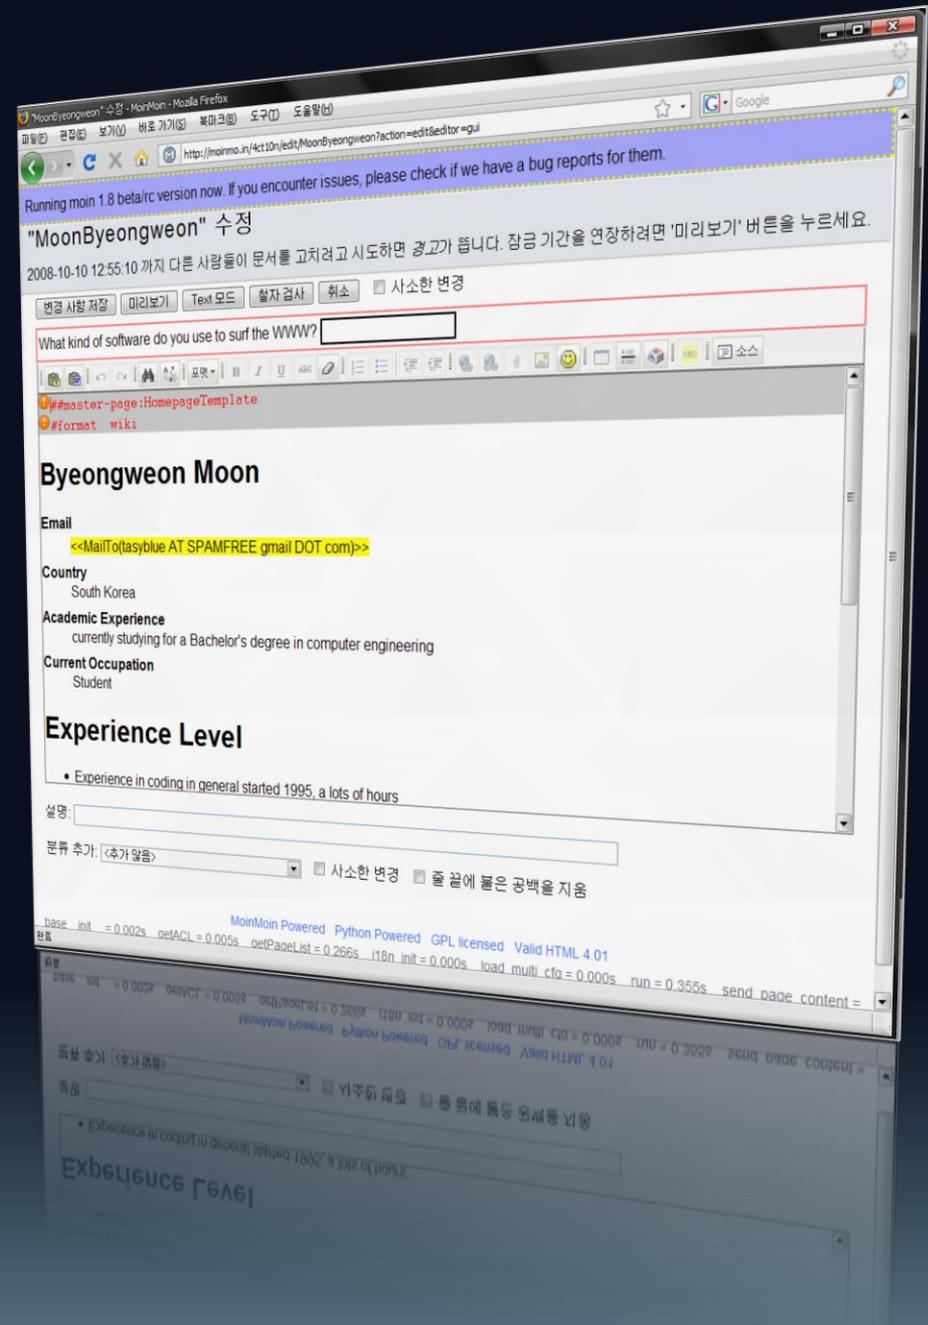

From May 2008

I'm working as **MoinMoin Committer**

A person wearing white pants and brown sandals is standing on a sandy beach. They are holding a large, dark, weathered shovel. The background shows a clear blue sky, a blue ocean, and some sparse vegetation. The text "What I've done are" is overlaid in white on the image.

What I've done are

Upgrade GUI Editor

Improving HTML-WIKI **Converter**

Improving WIKI-HTML

Parser & Formatter

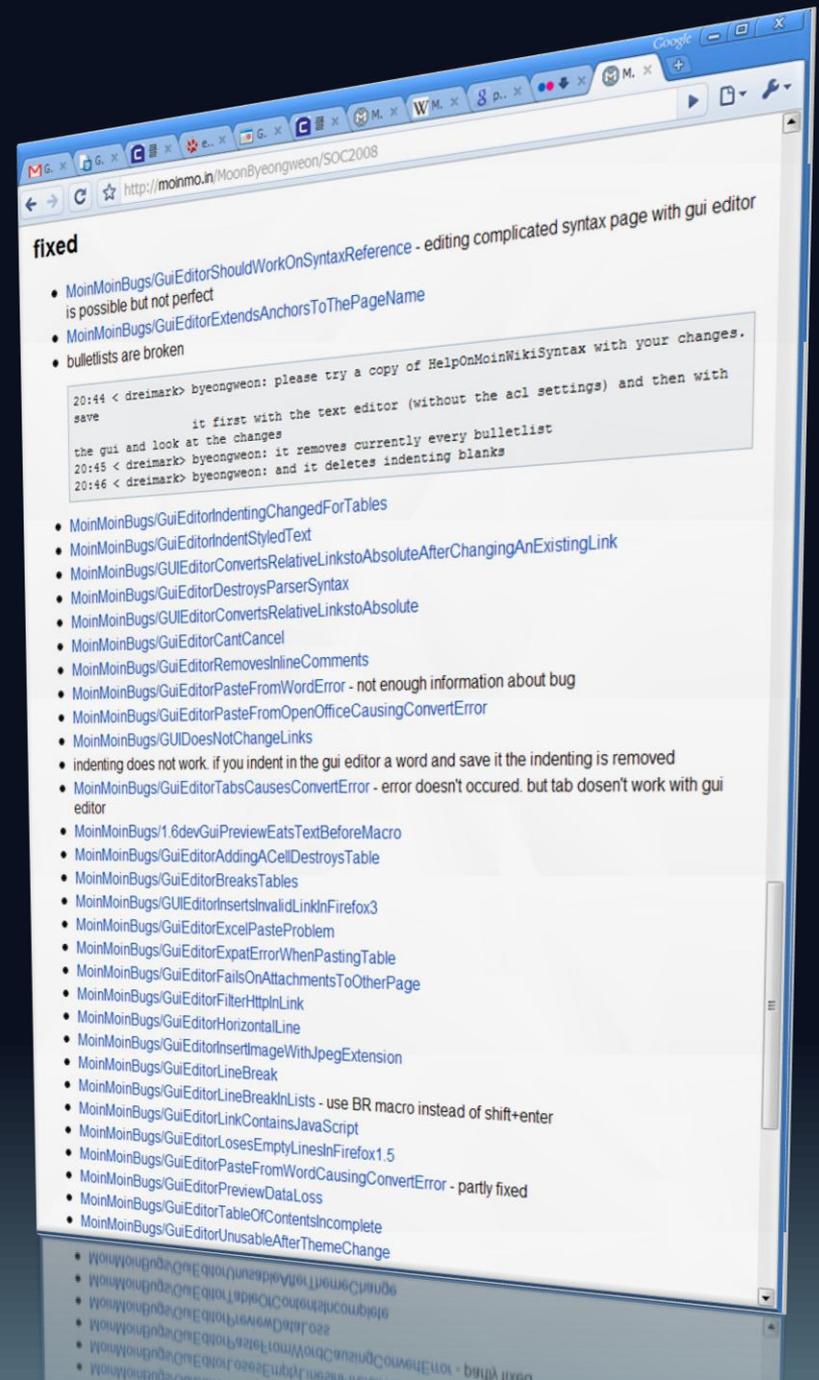

To give more usability to wiki system

While 4 month

2704 lines are added

18 files are updated

Fix 40 related bugs

Now you can edit wiki page with both GUI editor

MoonByeongweon" 수정 - MoinMoin - Mozilla Firefox

파일(F) 편집(E) 보기(V) 바로 가기(S) 북마크(B) 도구(T) 도움말(H)
